Calma Birthing HypnoBirthing 10%

Calma Birthing teaches HypnoBirthing® antenatal classes, with me, Kerrie - a fully qualified and registered HypnoBirthing® Practitioner, affiliated and regulated by the HypnoBirthing Institute. I am also a twice over HypnoBirthing® mummy, which is why I have such empathy with my mum's!

I teach Marie Mongan's HypnoBirthing® which is the original HypnoBirthing® course. It's tried and tested techniques have helped thousands of women over the last 24 years birth their babies in a calm and relaxed way. Kate Middleton can be counted amongst our HypnoBirthing® mums, with the birth of Prince George. The course is five 2.5 hour classes, held on a weekday evening over five consecutive weeks. Classes are intended to help you have the most natural childbirth possible, using easily-learned self-hypnosis and breathing techniques. Whatever kind of birth you are planning - homebirth, hospital, birthing centre or special circumstances including Twins! - HypnoBirthing can help. The classes are held either in small groups or as private one-to-one sessions in the comfort of your own home, whichever is most convenient for you. HypnoBirthing cannot promise you the perfect birth, no one can, but it can allow you to have a much calmer and more comfortable birth.
